Organizing for Change: Addressing Classism in Your Faith Community

Build deeper connections and strengthen your ability to create lasting social change through this interactive, full-day Class Conversations workshop.

- ◆ Explore your and other's class culture and the unique strengths and challenges of each.
- ◆ Relate shared values and principles to the development of language, concepts, and strategies to understand social class differences/issues.
- ◆ Consider the intersection between class and race and other issues of oppression.
- ◆ Consider the relationship between class stereotypes and escalating inequality.
- ◆ Use your new understanding of class to work together more effectively across differences and build deeper connections.
- ◆ And *organize for change*.
